

## Learner Profile

In MYP, students will work towards acquiring the learner qualities outlined in the **IB Learner Profile**.

IB learners strive to be:

**Inquirers**- learn through questioning, investigating and finding things out for yourself

**Knowledgeable** - acquire knowledge and understanding across a range of subjects

**Thinkers** - acquire thinking skills to effectively approach problems and make decisions

**Communicators** - learn to express your ideas and communicate with others in more than one language and in other ways of communicating e.g music, dance.

**Principled** - act with a sense of fairness and honesty and respect for others. Take responsibility for your own actions.

**Open-minded** - understand your own culture and be open to the values and traditions of other cultures.

**Caring** - respect the needs and feelings of others and make a difference to the environment and the lives of others

**Risk-takers** - try out new things and new situations

**Balanced** - understand that you need to have a balance between your studies, exercise and time spent with family and friends.

**Reflective** - consider how well your experiences and learning have gone in order to understand your own strengths and improve your limitations
