

5. There is a link to the whole school calendar where you can check all the upcoming events for the whole year.

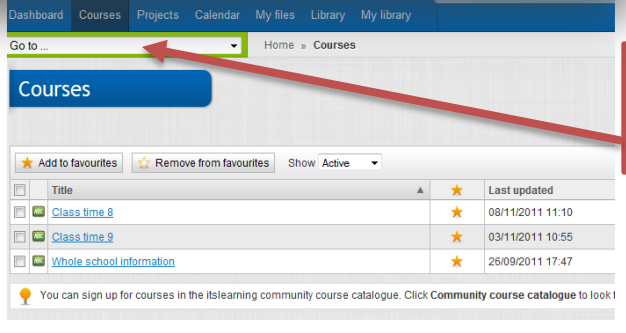

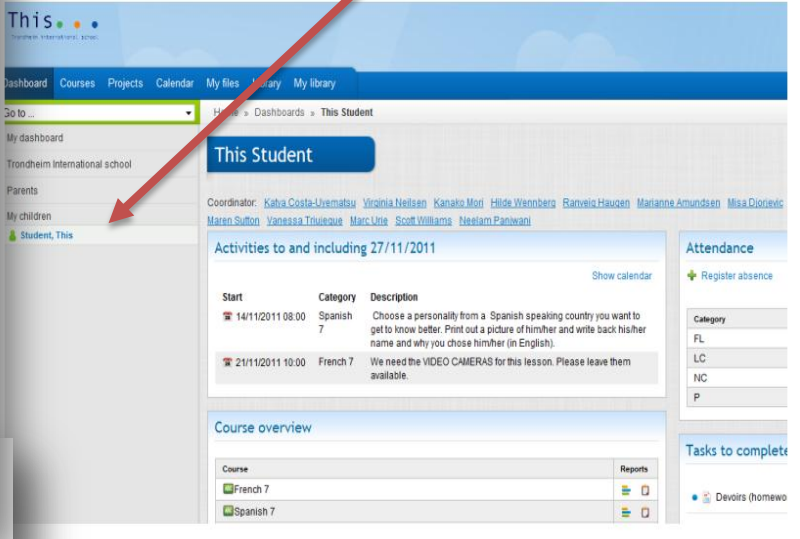

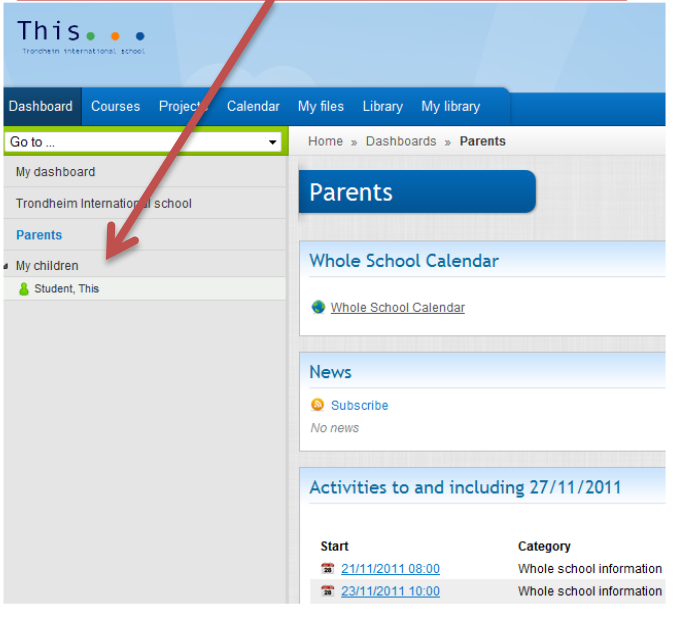

6. There is also a list of events that are happening for one week in advance.

Whole School Calendar looks like this!

7. On 'Parents' page, your child is listed on the left side under 'My children'.

8. Click on your child's name and you will see course overview, attendance and other information regarding your child.

9. Click 'Courses' and you will see some of the courses your child is enrolled in.
